### Introduction

This guide is aimed at Line Managers who are required to review and investigate feedback reported by their staff.

#### **Role of the Line Manager**

When a feedback notification is entered by a staff member reporting to you, you will be notified via email. You can either

- Click on the link in the email to open the notification or
- From the menu select My Workspace -> Review My -> Feedback. This will display a list of feedback notifications entered by you; your staff; or those that you have been granted permission to via an alert, distribution list or a Journal

#### **Review the details of the Feedback**

- Check the **Review History** to see who else is aware of the feedback notification
- Create a **Distribution List** if others need to be informed of the feedback
- **Optional: Bookmark** the feedback notification to enable a quick return to the notification if required
- Check consistencies of Issue Classifications if applicable
- Save any details that need immediate change

#### Investigate any Complaints/Enquiries/Suggestions

- Return to the Feedback (via Bookmark or Entered Feedback page)
- Acknowledge complaints/enquires/suggestions and update the **Date Acknowledged** field
- If a complaint is a result of an Incident, link the incident to the complaint
- Add/Assign Journal Actions
- Edit Issues/Suggestions/Enquiries Ensure these are followed up or update as required
- Provide a response to the family This may include ensuring that all relevant documentation is linked to the Feedback notification via the **Documents** section and recording any response that may have been provided to the family e.g. phone calls, correspondence via the **Journals**

#### **Close the Feedback Notification**

- Complaints may need to be resolved within a specific period of time e.g. within 30 days of being received.
   The Line Manager's role maybe to ensure that the
  - Issues, once completed, are resolved & closed
  - Journal Actions, once completed, are marked as actioned
  - The Feedback Notification, once completed, is closed.
- Remove the **Bookmark** if required
- Optional: Mark the Feedback notification as Finalised

#### **Reviewing Feedback**

### If I know the ID of the Feedback Notification you can use the "Go To" function to locate the notification

- 1. Press the Go To 🔍 icon on the menu or press ALT-G
- 2. Select Item = Feedback and enter the ID
- 1. Press Enter or the Go button
- 2. If you have permission to the notification it will be displayed

#### How do I let others know of the feedback?

If, after reading the feedback and looking at the **Review History**, you think other people within your organisation should be notified of the feedback, you can create a **Distribution List** 

- 1. Click on the **Dist List 0** button
- Search for the users using the Filter List ② option e.g. filter by the user's first or last name
- Highlight the user in the Unassigned List <sup>(2)</sup> and press
   Assign <sup>(3)</sup>
- 4. Repeat steps 2-3 if more users are to be notified
- Recommended: Enter a comment S explaining why the selected users are being distributed the Feedback. This comment will be included in the distribution email
- 6. Press Close @
- An email notification will be sent to the users on the Assigned List who have an email address in their user profile

**Note:** If there are already users in the Assigned list when you are creating a Distribution list, it means that the users have not yet read the Feedback – **do not delete** them from the list as it may negate the user's permission to the Feedback notification. Only the newly added users will receive the email

## Can I view comments sent in a Distribution List?

At this stage, it is not possible to view these comments. They will only be available in the email that is sent to the respective users

## What is the "Bookmark" function?

Bookmarking places the feedback notification into your **Bookmark Items** list available in your *My Workspace -> Reminders & Alerts* page. You may wish to bookmark (flag) the feedback as one you would like to follow-up later or requires further information before investigations are underway.

To bookmark a Feedback Notification, click on the **Bookmark 1** button

## How do I know which feedback I have viewed and those modified since I last viewed them?

Next to each feedback notification on your feedback list there is a coloured flag which represents your viewing status of your feedback

You have viewed the feedback and there have been no modifications

-There have been modifications since you last viewed the feedback

- You have not yet viewed this feedback notification

#### To view the Review History of a feedback notification

- 1. Click on the Eye next to the feedback
- 2. The **Review History** will display. This information will enable you to see if there were amendments made to the Feedback that you were perhaps waiting on

## How do I view the changes that have been made to the feedback notification?

Each time a change is made to a feedback notification another version of the feedback is created; this ensures the original version is kept intact. The feedback you are viewing is always the most current version

**Note:** There is no history to changes made to Journals, Documents and Issues; however there is an entry in the Review History documenting who has made changes in these areas of the Feedback Notification

#### To view the changes made to the feedback

 In the Control Panel you will need to click on the Previous Edit

## What is a Linked Feedback notification?

A linked feedback is when one or more Feedback notifications have been linked together for a specific reason e.g. a complaint and a compliment have been received by the same person; or one person has provided multiple complaints over a period of time

## Linked Feedback can be created 3 ways

- After the first notification is submitted, by clicking on the "Click here to create a linked feedback" button after a new Feedback notification has been saved
- 2. From the "Entered Feedback" page by checking the notification you wish to link from, and pressing the

"Clone and Link"

icon which will open a

3. If the feedback notifications were entered separately they can be linked together using the "Link Records"

icon on the "Entered Feedback" page

## How can I tell if feedback has been linked?

On opening the feedback notification from the **Entered Feedback** page, the ID's of the linked feedback will display in the Control Panel under the **Related Feedback** heading.

## **Note:** The **"Group"** column available in the **Incident Lists** page is not available in the Feedback listing pages.
