

Introduction

This reference guide is aimed at managers who wish to view or maintain the list of staff who report to them. This ensures the manager receives a notification whenever a staff member reporting to them enters an incident or feedback notification into RiskMan

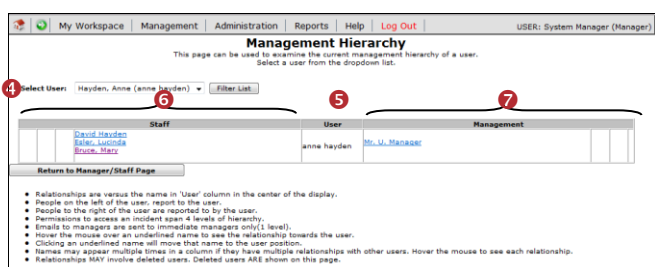

How can I view the manager/staff relations of a user in RiskMan?

To view the manager/staff relationships in RiskMan navigate to the *Administration -> Manager/Staff -> Staff Hierarchy* page

- To view the relationships setup for a user in RiskMan
 - Click on the **Filter List** ❶ button and enter your filter criteria e.g. Enter the user's first or last name in the **User Name Filter** ❷ field
 - Once you have entered your filter criteria press **Filter List** ❸

- Select the user from the **Select User** ❹ drop down list
 - The selected user will appear in the **User** ❺ column

The users listed in the 4 **Staff** ❻ columns to the left of the **User** ❺ either report directly or indirectly to the selected User.

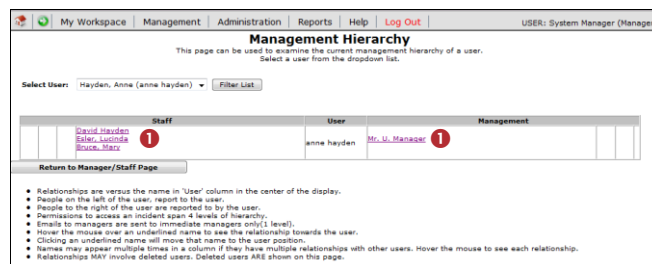

- If standard Line Manager Notifications are used in RiskMan, the manager in the **User** ❺ column will receive an email notification from any staff listed **directly** to the left of the **User** ❺ column, whenever they enter an incident or feedback notification. If a staff member displayed in any of the other **Staff** ❻ columns enters an incident or

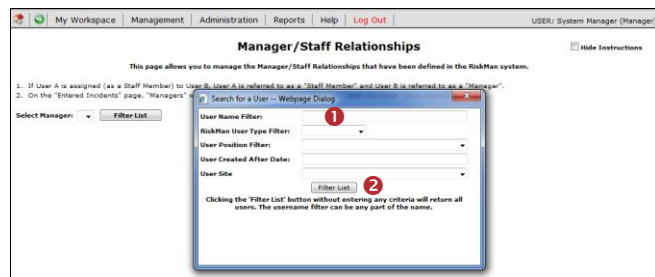

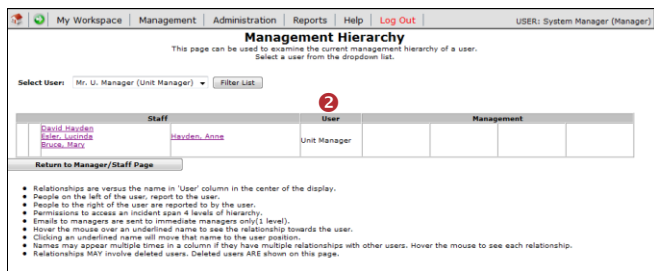

feedback notification the **User** ❺ will not be notified by email but will have access to these notifications in their respective Entered Incidents or Entered Feedback pages

- If alerts are used to notify a Line Manager of a notification, then the Manager will only have access to incident and feedback notifications from users who **directly** report to them at the time the incident or feedback notification is entered
- The user in the **User** ❺ column reports directly and indirectly to the users listed in the 4 **Management** ❼ columns
 - If standard Line Manager Notifications are used in RiskMan, the manager/s in the column directly to the right of the **User** ❺ column will be notified by email of any incident or feedback notifications entered by the user in the **User** ❺ column. All other users in the **Management** ❼ columns will have access to the incident and feedback notifications entered by this user but will not be notified by email. They will appear in the manager's respective Entered Incidents or Entered Feedback page
 - If alerts are used to notify a Line Manager of notifications, then only the users listed in the **Management** ❼ column directly to the right of the **User** ❺ column will have access to incident and feedback notifications entered by this user

Can I view the relationships of the users in any of the Staff and Manager columns?

YES - Just click on the user in either the **Management** or **Staff** ❶ columns and that user will appear in the **User** ❷ column. The manager/staff relationships of that user will now appear in the respective **Staff** and **Management** columns

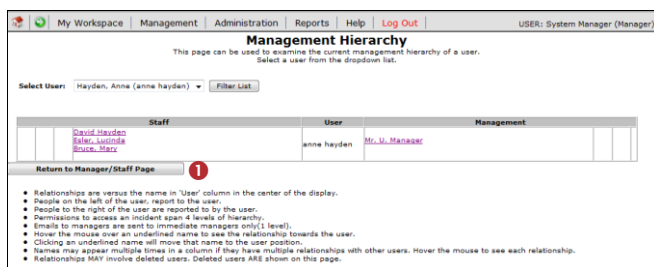

How do I modify the manager/staff relations?

To modify the manager/staff relations from the Management Hierarchy page

- If you are on the **Management Hierarchy** page then press the **Return to Manager/Staff page** ❶ button
- The user displayed in the **User** column will automatically be selected ❷
- To view the staff that report to the selected manager press the **Show Staff** ❸ button

To access the Edit Staff page from the menu

1. Select **Administration -> Manager/Staff -> Edit Staff**
2. The **Manager/Staff Relationships** page will open with a **Filter** window automatically displayed
 - Locate the Manager using **one** of the Filter conditions e.g. Enter the manager's first or last name in the **User Name filter** ❶
 - Press the **Filter List** ❷ button
3. Select the user from the **Select Manager** ❸ list
4. To view the staff that report to the selected manager press the **Show Staff** ❹ button

To show/modify the staff reporting to a selected manager

1. Click on the **Show Staff** button (which will rename to **Hide Staff**)
2. A list of all users reporting to the selected manager will display as well as a list of unassigned users you have permissions to view (dependent on any user restrictions you have in your user profile e.g. site/location restrictions)
3. Users that are flagged as deleted will also display - these users will display with a strike through their name (like this ~~tom-smith~~)

To assign staff members to a manager

1. Highlight the user/s in the **User List** ❶ list
2. Press **Add** ❷
3. The user/s will now appear in the **Assigned Staff Members** ❸ list
4. Repeat above steps as required

To remove staff from the assigned list

1. Highlight the user/s from the **Assigned Staff Members** ❸ list by clicking on the respective tickbox. The row will highlight.
2. Press **Remove** ❹
3. Repeat above steps as required

The screenshot displays the 'Manager/Staff Relationships' page. At the top, there are instructions and buttons for 'Show Staff', 'Hide Staff', and 'Refresh'. Below this, there are two main sections: 'User List' and 'Assigned Staff Members'.

User List: This section contains a table with columns for 'User Name', 'Name', 'Status', and 'Type'. A red circle with the number 1 is placed over the 'Name' column header. To the left of the table is a 'New Users' sidebar with checkboxes for 'User Name', 'Name', 'Status', and 'Type'. A red circle with the number 2 is placed over the 'Add' button at the bottom of this sidebar.

Assigned Staff Members: This section contains a table with columns for 'User Name', 'Name', 'Status', and 'Type'. A red circle with the number 3 is placed over the 'Name' column header. To the left of this table is an 'Add to' sidebar with a red circle with the number 4 placed over the 'Add' button.

Can I view the history of changes made to the Manager/Staff Relationships?

1. Filter and select the manager from the **Select Manager** **1** list
2. Press the **History** **2** button
3. Enter a **date range** **3** to view the history of changes
4. Press **Show History** **4**
5. A **History** **5** of changes will display

Note: The history will show any changes made in the Manager/Staff Relations page and any changes that have been made by users from their Assign Manager page or when submitting an Incident
